

The CO\$T of Nuclear Power

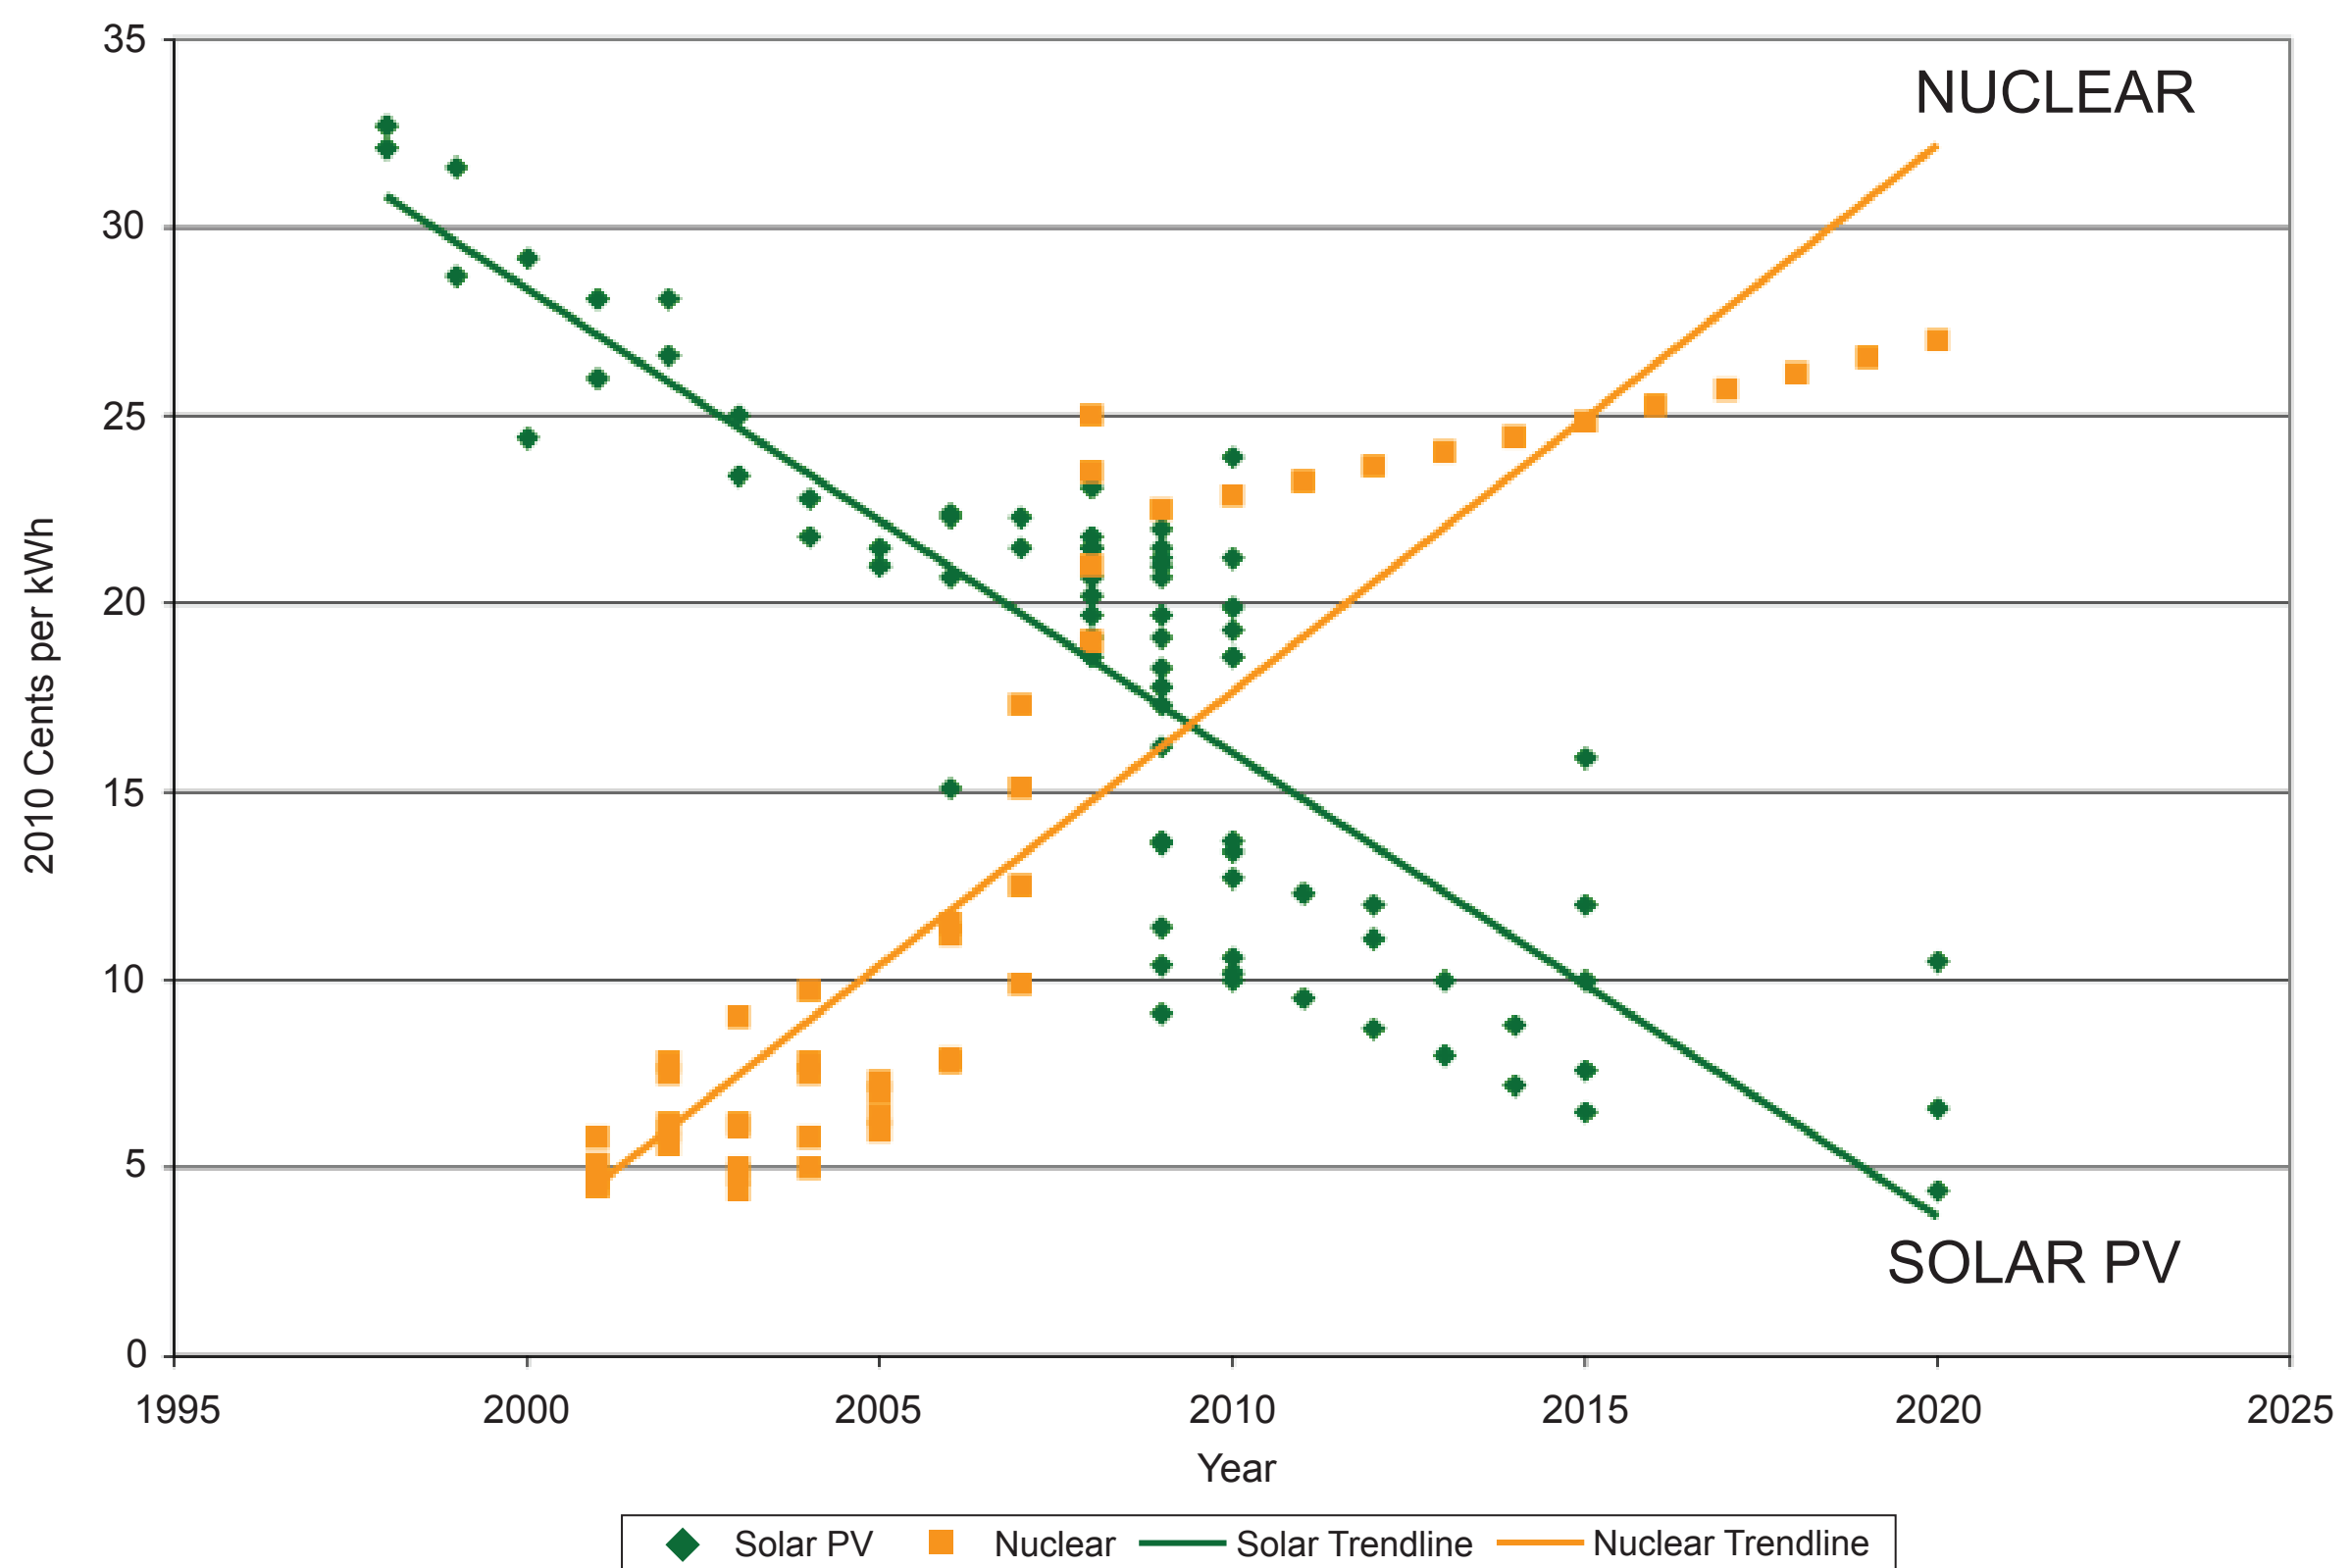

Nuclear Power's Share of Federal Energy R&D Subsidies

Government Research and Development Budgets Across IEA Countries* from 1986-2008

*International Energy Agency: Australia, Austria, Belgium, Canada, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Japan, Republic of Korea, Luxembourg, The Netherlands, New Zealand, Norway, Poland, Portugal, Slovak Republic, Spain, Switzerland, Turkey, United Kingdom, United States

Solar Costs Plummet as Nuclear Costs Soar

The late John O. Blackburn of Duke University calculated a 'historic crossover' of solar and nuclear costs in 2010 in the U.S. state of North Carolina.
